

East Anglian Card Collectors Club

Dear Member,

I hope everyone is avoiding this nasty virus and keeping well.

If like us you are beginning to feel restless and starved of card stimulation, then we have some **good** news for you.

Firstly the **bad** news .. we have decided not to open again until the June meeting (Saturday 20th June), providing the virus has gone and we can open although that looks more hopeful than likely at the moment. We will contact you again when this will definitely be. In this case the postponed March auction will be held in June, (April in July, May in August)

Good news .. the hall committee have credited us the cost of the hire (we always pay six month's in front to guarantee the date)

Bad and **Good** news ... the Annual Convention planned for the end of April in Salisbury has been rescheduled at the same venue but the weekend of the **17th/18th October 2020**.

Many of you will have noticed that date clashes with our meeting in October, so for that month only we have altered our meeting date to the **31st October** (24th hall not available). That means we can go to both !

Subscriptions due on 1st April have been deferred until we reopen

News from Paul Lynch – the new Murrays catalogue will be launched at the convention in October and cover 2021 and 2022.

In the meantime, look after yourself and most importantly stay well
